

REMARKS/ARGUMENTS

This Amendment is filed in response to the office action of January 11, 2007.

In the office action, the Examiner stated that claims 2, 7, 12-19, 23, 25, 32, 34, 41, 43, 45, 47, 48 and 50 are allowed. Applicant thanks the Examiner for these allowances.

Moreover, claim 11 was objected to under 37 CFR 1.75, based upon antecedent basis and related grounds. While Applicant believes that claim 11 as written was sufficiently clear, Applicant nevertheless has amended claim 11 in accordance with the Examiner's suggestions so that this claim is even more clearly written. Applicant thanks the Examiner for pointing out further clarifications.

In view of this claim amendment, withdrawal of the objections to claims 11 is respectfully requested.

CONCLUSION

For all the reasons advanced above, Applicant submits that the application is in a condition for allowance and that action is earnestly solicited.

Respectfully submitted,

/Gary D. Mann/
